MR. SEYMOUR'S LETTER OF ACCEPTANCE—COMMENTS OF THE PRESS.

This letter of acceptance is a brief but cogent explanation of the condition of our political affairs. The antagonism of wealth and power to popular freedom, the danger of the people from the encroachments of a rapacious Congress, the necessity for the arrest of the onward course of the radical destructives, are all strongly and faithfully depicted. On the other hand, from the common sense and common honesty of the mass of the people, the awakening of the democrats to the necessity for their active exertions, and the disgust of the better class of republicans with the outrageous excesses of their leaders, the Governor deduces bright expectations of success in the coming election. With becoming modesty and truthfulness, he insists that it is the cause more than the candidates, the principles more than the men, the hatred of radical lawlessness more than the love for the democratic party, which may be confidently relied upon to administer an overwhelming defeat to the radicals in November.

[From the New York Express.]

Gov. Seymour's views on public questions, under ordinary circumstances, always command respect; but now that he is the standard-bearer of the great Democratic Conservative party, and, in all human probability, the next President of the United States, his utterances will carry with them a weight and an influence that cannot well be exaggerated. This letter is an admirable summing up of the issues to be decided in the pending contest. Radicalism is exhibited in all its deformity on the one hand, while on the other we have an eloquent exposition of the benefits and blessings which must surely ensue to the country in the event of Democratic success.

[From the New York World.]

While Governor Seymour takes no pains to conceal the hostility and scorn with which he regards the bastard State governments and the injustice and absurdity of admitting their bogus Senators, he speaks of the honest masses of the republican party with a candor and considerateness which foreshadow the healing moderation with which he will administer the government. He gives prominence to the fact that many of the wisest leaders of the Republican party have disapproved and protested against the violent counsels which have prevailed in Congress; counsels which he attributes to the fact that the party has been free from the wholesome restraint of a powerful opposition. The headlong courses into which it has been hurried by its most impetuous and passionate men have resulted from the inevitable tendency of all unchecked power to abuse; and Governor Seymour evidently expects that, after a great Democratic victory, the wiser and more moderate portion of the republican leaders, whose influence has been overborne, will recover the ascendancy due to their talents, and that there will afterwards be no difficulty in tranquilizing the country on the solid basis of justice, moderation, and good sense. One of the best fruits which Governor Seymour seems to expect from a Democratic triumph is the spontaneous change it will cause in the leadership of the republican party by dwarfing the influence of the reckless and domineering spirits who now hold the reins and crack the whip. It is by such a change, and not by subversive violence," that Governor Seymour expects a satisfactory settlement of the prevailing difficulties.

CANBY'S FAREWELL.

It gives us pleasure to publish the *final* order of the Commander of this Military District:

HEADQUARTERS 2ND. MIL. DISTRICT,
Charleston, S.C., August 5, 1868.

GENERAL ORDERS,
No. 150.

In obedience to General Orders No. 1, from the Headquarters of the Department of the South, the undersigned hereby relinquishes the command of the troops in the late Second Military District.

The officers of the general staff on duty at the Headquarters of that District will report to the Major-General commanding the Department of the South.

In relinquishing this command, the undersigned takes this occasion to acknowledge the zeal and fidelity with which the officers and men have performed the difficult and delicate duties committed to them, and to express his thanks to Commanders of Posts and the officers of the staff for their active and zealous co-operation, and, to all, his warmest wishes for their welfare and happiness.

ED. R. S. CANBY,
Brevet Major General, U. S. A.

LOUIS V. CAZIARC,
Aid-de Camp, Act. Ass't Adj't Gen'l.

MADSTONE.—I went to the house of Mr. Evans, four miles from Mt. Pulaski, to see the madstone applied to a young man who had been bitten by a mad dog. I always supposed this stone to be fabulous, but now I know better. A young man, aged seventeen, was suffering from a fit of hydrophobia. He was strapped to a chair prepared expressly for the purpose, and the stone applied to his thumb, where he had been bitten. It adhered *eleven times* before all the poison was exhausted. Each time that it dropped off it was bathed in warm milk, and the poison settled on the surface in the way of a green scum. The stone is a porous one, in shape resembling the half of an egg. The hydrophobic young man is now as well as anybody. Mr. Evans has made $600 out of his madstone this summer.—*Letter in St. Louis Times.*

GEN. GRANT.—A telegraphic dispatch informs us that Gen. Grant "made a speech" at St. Louis last night, on the occasion of a serenade, the significant feature of which was the curious announcement that he intended to make that city his future home.—We see no necessity of his resigning his commission in the army *after* his defeat in November. Certainly we have heard of no Democrat who favors the abolishment of his rank upon our success.—*Wash. Express.*

THE FORMATION OF CLUBS.—We are more than pleased to see the spirit that is being manifested in this section towards organizing Seymour and Blair Clubs. The people are thoroughly alive to the movement, and we can vouch for this section doing all of its duty. Clubs are being formed in every precinct.—*Roanoke News.*

A CARD.

SEVERAL months ago, I purchased the entire stock of goods owned by BRANSON, FARRAR & CO., and continued the business, changing the name afterwards to Branson & Jones,—advertising myself as Proprietor and Mr. Branson as Agent for the N. Mr. Branson will continue to be General Agent for the N. C. Directory, which will necessarily engage most of his time and attention.

TUESDAY, AUGUST 11, 1868.

NATIONAL DEMOCRATIC TICKET:

FOR PRESIDENT,

HON. HORATIO SEYMOUR,
OF NEW YORK.

FOR VICE PRESIDENT,

GEN. FRANK P. BLAIR,
OF MISSOURI.

EFFORTS OF TENNESSEE CONSERVATIVES TO PRESERVE PEACE.

The condition of Tennessee is anything but comfortable. There is wide spread dissatisfaction with the State government, and men of the baser sort, who gloat in riot and plunder, are taking advantage of the condition of things, to perpetrate mischief. A few men of low character, always bent upon mischief, seem to have given rise to great alarm among the "trooly loil." This has been increased by the imaginary existence of "Ku Klux Klans" in large numbers.—Brownlow, feigning to believe that an organization existed to destroy the State government, called upon the General Assembly for funds to pay a strong militia armed force to protect it and enforce the laws.

Gens. Cheatham, Maney and Johnson, of the late Confederate service, believing that such a course would, in the present temper of the people, produce civil war in the State, proposed to the Legislature to appoint a committee to meet such Generals of the late Confederate army, as they could draw together, to confer upon the best means to promote peace. Accordingly Gens. Forrest, Bate, Brown, Smith, Palmer, Johnson, Gordon, Cheatham, Pillow, Anderson, Quarles, Dibrell and Murray, met in Nashville, Tenn., on the 1st. inst., to confer with the Legislative Committee. These Generals all declared themselves adverse to the present character of the State Government, but, on principle, resolutely determined to obey the laws, until they were legitimately repealed, and gave the most positive assurances of their determination to maintain the peace and quiet of the State by their counsel and conduct. They drew up a memorial addressed to the Committee on Military Affairs, signed by all the Generals present, declaring their anxiety for peace and harmony, their desire to promote it, and urging that the militia force is not needed to enforce the laws. These Generals urge the necessity of abolishing all irritating laws and the removal of disfranchisements.

The discussions of the Generals, and the Legislative Committee which met them, were exceedingly pleasant and calculated to inspire mutual confidence. Every General pledged himself to obey the laws, and to exert his personal influence to preserve the peace, but expressed no hope of peace if the Legislature sent out the *armed militia*; they believed that collisions were imminent, if the militia was sent out, and that their personal influence could not quell them. They were all satisfied, that the true policy of the General Assembly was conciliation—the rescinding of all irritating and objectionable laws, and especially the removal of all disfranchisements. Whether these wise suggestions will have any proper influence upon the General Assembly of Tennessee, remains to be seen. A majority are still opposed to the removal of disfranchisements and disabilities. The motive which operates both in Tennessee and North Carolina, is a mean, selfish, sinister one. When they say that they are opposed to the removal of disabilities, because they doubt the loyalty of the disfranchised, they speak falsely. Their desire for office for themselves alone prompts their course.

CONGRESSIONAL WASTE.—A book was prepared in memory of Mr. Lincoln, under the auspices of Mr. Seward, at a cost of $37,50 each,—the government being required to foot the bill, to the tune of $200,000. The contents of this entire book had been previously published in Seward's diplomatic correspondence, and sent to all the foreign governments with whom we have commercial connection. Now it is ordered that a copy be sent to every nationality in the world.

FREEDMEN'S BUREAU.—A short time ago, Mr. Boyer, of Penn., made quite a damaging exposure of the cost to the government of the Freedman's Bureau, in a speech in the House. Gen. Howard addressed a letter to Mr. Eliot, of Mass., a friend of the Bureau, correcting some of his statements. Mr. Boyer has replied in a scathing letter, in the *National Intelligencer*, in which he puts Howard *hors du combat*.

GEORGIA.—In the Georgia Legislature it is very properly held that the late elections according to the laws of Georgia were all illegal, and that the order of Gen. Meade, in relation to persons elected, is conclusive of the rights of the persons named to their seats. That is the proper course.

MAJORITIES.—It is said that Gov. Stevenson's majority in Kentucky will reach over 80,000, and it is said that a bet of $3,000 was made at Saratoga, a few days ago, that New York would give Seymour and Blair a majority of 70,000.

THE COUNTY MEETING.

In another column will be found the condensed proceedings of the very large and intensely enthusiastic meeting in this city, on Saturday last. We regret that it is out of our power to publish, in full, the list of delegates appointed to the Democratic State Convention,—between six and seven hundred in number—but lack of space forbids. It is, besides, unnecessary to do so, as every sympathizer with the cause in the county was requested to act as a delegate and to be in attendance.

All of the speeches on the occasion were capital, but we should do injustice to the unanimous sentiment of all who were present, did we not say, that Col. E. G. Graham Haywood's effort was one of the most powerful ever heard in this city. In compactness of argument and fervid eloquence, it was unsurpassed by any speech we have ever heard. We say this without qualification. We will not attempt to give even an abstract of it, but we hope to see it in print, before long, as a campaign document.

"CHARGE THEM!"—The policy of the National Constitutional Democratic party, in this campaign, is one of *aggression*. Do not stop, unless in cases of absolute necessity, to notice, or attempt to refute, the thousand-and-one lies with which the Radical organs daily teem or the innumerable false issues which the Rebel Radical orators seek to make. Do not regard their silly and puerile flings, which are designed to provoke reply and divert attention from *the infamous record*. Charge! Charge! Charge upon their wavering and discomfited ranks! Keep them on the defensive. Lay bare before an aroused people their glaring infractions of the Constitution, their programme of degradation for the white man and of negro supremacy, their swindling speculations and peculations, their wasteful expenditures of the people's money, their usurpation of the rights of the PEOPLE, their fiendish designs against the peace of the State and Nation! Pour hot shot, thick and fast, into the ranks of the "carpet-baggers," and their degraded native allies, who have been deluding the blacks into hostility to their old friends, for selfish and mercenary ends! Charge them, we say, at every point, from every hustings, in every meeting, from every column that issues from the press! Keep them busy at *defending* themselves—and the effort to do so will but compel them to expose the more vividly the enormities, for which an outraged and indignant people are about to call them to account!

THE ELECTORAL COLLEGE.

We observe that the bogus rebel Legislatures of Florida and Alabama have taken away, from the people of those States, the right to cast the vote for Presidential Electors, and have resolved to cast the vote for Electors themselves, by which Grant and Colfax will receive the vote certainly. It will be remembered that South Carolina used to be specially denounced by the Radical party as an anti-republican State, because her Legislature had uniformly cast her Presidential vote.

The General Assembly of North Carolina, now in session, will scarcely do this.—Nothing would operate so prejudicially, at the North, against the Radical party, as a course of this kind.

We observe that the New York *World* intimates that, according to the Howard amendment, those States, which are guilty of that iniquity, will lose their representation in Congress, and gives the second section of the amendment as proof of the position:

"When the right to vote at any election for the choice of electors for President and Vice President of the United States, representatives in Congress, the executive and judicial officers of a State, or the members of the Legislature thereof, is denied to any of the male inhabitants of such State, being twenty one years of age and citizens of the United States, or in any way abridged, except for participation in rebellion or other crime, the basis of representation therein shall be reduced in the proportion which the number of such male citizens shall bear to the whole number of male citizens twenty-one years of age in such State."

THEY ARE COMING!

We learn that large numbers of the good people from adjoining counties are coming up to the great Democratic Jubilee on Thursday. From Wayne and Johnston, they are coming in wagons and other private conveyances. They cannot afford to travel on the North Carolina Railroad, where such exorbitant charges are made, and they desire, besides, to rebuke the *little* party spirit which the President of that road has exhibited.

NEVER WERE the people of North Carolina more aroused. If we published a paper five times the size of the *Sentinel*, we should still not have room for full accounts of the County, Town and Club Seymour and Blair meetings, which are being held all over the State. PUSH ON THE COLUMN!

GOV. WORTH.—We are gratified to learn that this noble old patriot is addressing his fellow citizens of Randolph, at various points, with great effect, in behalf of the cause of Peace and Union.

A GOOD IDEA.—The resolution offered and adopted at the organization of the Halifax Seymour and Blair Club, on Thursday, inviting the blacks to join the Club, is a good one. The idea is to get them to join the white man's Club until a sufficent number shall have joined to enable them to form a Club of their own, with their own officers, &c. Not a bad idea, and we think every Club would do well to adopt a similar resolution.—*Roanoke News.*

A NEGRO BULL.—In the Border State Convention the proceedings of the second day were enlivened by the following resolution:

"*Resolved*, That any colored man sympathizing with the Democratic party, or voting that ticket, be stamped a traitor to his race, an enemy to his *ancestors*, and a political murderer of his children's rights;" which was, after some discussion, indefinitely postponed.

ARE YOU for war, for military rule, for an Imperial central government and for a Dictator or Emperor? Vote for Grant and Colfax.

GENERAL ASSEMBLY OF NORTH CAROLINA.

BY AUTHORITY OF CONGRESS.

FIRST SESSION.

SENATE.

MONDAY, Aug. 10, 1868.

The Senate was called to order at 10 o'clock.

Prayer by the Rev. Mr. Atkinson, of the Presbyterian Church.

Leave of absence was granted from Friday next, to the end of the session, to the following Senators, viz: Messrs. Lindsay, McLaughlin, Mason, Etheridge and Smith.

INTRODUCTION OF BILLS.

By Mr. Winstead: A bill authorizing the Norfolk and Great Western Rail Road Company to extend and construct their Road through the Counties of Granville, Person and Caswell. Referred to the Committee on Internal Improvements.

By the same: A bill to incorporate the Roanoke Batteau Transportation Company. Same reference made.

By Mr. Richardson: A bill authorizing the Western Railroad Company to open the navigation of Lowell river, in the counties of Moore and Richmond. Same reference made.

The Committee appointed to ascertain what amount was necessary to complete and furnish the Governor's Mansion reported that it would require, *at least*, $10,000!! after consultation with Messrs. W. H. & R. S. Tucker. (More than the building is worth.)

Mr. Sweet offered a resolution, proposing to hold evening sessions, from and after to-day, to meet at 8 o'clock, and providing further that the morning sessions shall begin at three quarters past nine. After some discussion, adopted under a suspension of the rules.

A message was received from the House, transmitting a Resolution rescinding the resolution to adjourn on Monday next.

On motion of Mr. Sweet, it was laid on the table.

Mr. Sweet, from the Committee on Privileges and Elections, to whom was referred the petition of J. W. Stevens, claiming to be legally elected from the 24th Senatorial District, recommended the appointment of Mr. Respass, Senator from Beaufort, as Commissioner to proceed at once to Caswell county to examine certain persons, under oath, who are charged, in said petition, with having voted illegally. Concurred in.

The following bills were taken up and disposed of as follows, to-wit:

Bill to provide for the employment of convicts, and the erection of a Penitentiary; referred to the Committee on Penal Institutions.

Bill concerning the Courts of the Justices of the Peace, and the rules of proceeding therein; passed its second reading, and, after some discussion, referred to the Committee on the Judiciary.

Bill to amend an ordinance respecting the jurisdiction of the Courts. On motion of Mr. Hayes, laid on the table.

Mr. Robbins rose to a question of privilege. The Raleigh *Standard*, the government organ, had stated that he had delayed legislation by resorting to Parliamentary tactics, or by making factious points. He pronounced the charge to be untrue, and appealed to the Senators to bear him out in this statement, and if any of them knew that he, at any time, had resorted to Parliamentary tactics in order to delay legislation, to say so at once. He would not resort to billingsgate, as some had done, but simply pronounce the charge *false*.

On motion, the Senate adjourned.

NOTE.—The Reporter failed, on Saturday last, to get a sight of Mr. Respass' substitute or to hear its contents. It is a mistake to call it a *militia* bill. It provides for a Special Constabulary force, to be appointed by Justices of the Peace, to arrest conspirators against the freedom of speech or of the ballot, at any time, &c. Should it pass, it will be published in full.

The reader will recollect that, in Saturday's proceedings, it was stated that Mr. Wynne, of Franklin, in reply to a statement of Mr. Cook, Senator from Johnston, charged that the statement was a lie. Subsequently Mr. Cook asked Mr. Wynne if he intended to say that he, (Mr. Cook,) had lied. Mr. Wynne replied that he did not apply that epithet to him, but to the statement itself, presuming that the Senator had been misinformed.

Mr. Burns, Senator from Chatham, was reported incorrectly, in Saturday's proceedings, as having voted against Mr. Respass' substitute for the Special Militia bill. He voted *for* the substitute.

HOUSE OF REPRESENTATIVES.

[BY UNDERGROUND RAILROAD.]

MONDAY, Aug. 10, 1868.

House called to order at the usual time.

Prayer by the Rev. Mr. Atkinson, of the city.

Mendenhall presented a memorial from citizens of Davidson County, asking that old debts be scaled. Referred to the Committee on Propositions and Grievances.

Gunter presented a petition from certain citizens, asking that the distillation of grain be prohibited. Consideration postponed until the 3rd. Monday in November next.

Seymour, from the Judiciary Committee, reported a bill concerning the registration of voters.

By the same: A bill concerning the registration of Deeds, recommending that no action be taken.

On motion of Seymour, the rules were suspended and the bill concerning the registration of voters was put on its second reading.

Mr. Durham moved to amend, by an additional section, which declares that every male person, born in the United States and a resident of the State 12 months, and of the County 30 days, shall be entitled to register; which was adopted, and the bill then passed its second reading.

On motion of Seymour, the rules were suspended and the bill concerning the civil rights of citizens of North Carolina passed its several readings.

SPECIAL ORDER:

The bill to provide for the payment of the interest on the public debt of the State.

Estes (c. b.) offered a substitute for section 3, authorizing the Public Treasurer to borrow the money. Adopted.

Estes then moved to print the bill, as amended, and make it the special order at 10½ o'clock to-morrow. Carried.

On motion of Seymour, the rules were suspended, and the bill of civil procedure passed its several readings.

On motion of Somnambulistic Downing, the rules were suspended and the bill concerning Wreckers was put on its several readings.

Mr. Jarvis moved to make the bond of the Wreck Master $2500, instead of $500. Carried; but, on the third reading, the bond was reduced to $1,500, on motion of Downing. The bill, as amended, then passed its last reading and was ordered to be sent to the Senate.

By Seymour: A bill in regard to the intimidation of voters. Ordered to be printed.

Mr. Pou, from the Committee on Privileges and Elections, presented a resolution relative to the seat of Mr. Long, of Caswell, and asking for a Commission to proceed to Caswell to take evidence in the case of Wilson Carey, (negro,) who claims the seat.—The report lies over.

Senate bill, requiring Trustees of the University to reside in the counties from which they are appointed, passed its several readings.

By Mr. Durham: A bill providing that when, from any cause, a jury shall not be drawn, the presiding Judge shall have power to have the jury drawn. The bill passed its several readings under a suspension of the rules.

House bill concerning fishing in the Cape Fear River was taken up, when, on motion of Leary, (negro,) it was postponed until the second Monday in December next.

House bill No. 15, changing the manner of the payment of the capital stock of the Western R. R. Co., was postponed until the second Monday in November next.

Vest called up Senate bill No. 45, confirming the Charter of the N. W. N. C. R. R. Co. The bill was taken up and passed its several readings.

Senate bill No. 63, in relation to the Records of County Courts, passed its several readings. (The bill provides that the records of the old County Courts shall be considered as records of the Superior Courts.)

House bill No. —, prohibiting the distillation of liquor from grain, was postponed to December next.

The resolution in favor of the publication of the Rev. Mr. Hardie's book, in regard to the resources of the State, was now taken up.

Justice, of Rutherford, said that he always advocated the spreading of information, and thought that this book ought not to be treated with contempt, but, inasmuch as the present session was drawing to a close, and a great deal of important business was yet to be transacted, he moved that the further consideration of the bill be postponed until the 2nd. Monday in December. Carried.

A message was received from the Senate, notifying the House that they had adopted a substitute for the House bill establishing special Courts for Wilmington and Newbern, and asking the concurrence of the House therein. On motion the message was concurred in.

By consent, Mr. Barnett called up House bill No. 28, in relation to weighing rosin in the Port of Wilmington. On motion, the rules were suspended and the bill put on its several readings.

Mr. Farrow moved to amend by making the penalty provided for in the bill $25, in lieu of $100. The amendment was accepted and the bill passed its several readings and was ordered to be engrossed and sent to the Senate.

Senate bill No. 84 for filling vacancies in the General Assembly passed its second reading.

House bill No. 22 repealing the Stay Law, together with the adverse report from the Judiciary Committee, was read.

On motion of Mr. Sinclair, the bill was indefinitely postponed.

Report from the Committee on Penal Institutions, with a resolution to appoint a Committee of one from each Congressional District to locate the State Penitentiary, was now adopted.

A bill to provide for the laying off Counties into Townships, together with the report of the Committee, to whom it had been referred, recommending that its further consideration be postponed until next session, was read, and, on motion of Seymour, the report was adopted.

The House then adjourned.

ITEMS.

The Queen of England is on a visit to Switzerland and Italy. She was at Paris on the 5th. inst., and lodged at the Tuileries, at the invitation of the Empress Eugenie.

Spain is in a disturbed condition. The whole country seems disquieted, and every effort is necessary, on the part of the government, to prevent riots and outbreaks.

One of the negro parties, into which San Domingo has been constantly divided, has asked Spain to assume the protectorate of the Island, but Spain refuses.

Austria declares that its policy is peace, and ignores the idea of interference in German affairs or of seeking vengeance.

Mr. Seward gave a grand banquet at his own house, in Auburn, N. Y., to the Chinese embassy, on the 5th. inst.

The death of Gen. Halpine, of New York, and editor of the *Citizen*, occasioned by an over dose of chloroform, seems to have excited very general regret. He was buried with civic and military honors. He was a leading politician and supported the Democratic ticket.

Suicides are very common in New York and other Northern cities.

Forty thousand dollars in the U. S. 5 20 bonds were stolen from the office of the Star Insurance Company, of New York, on Broadway, on the 5th. inst.

The steamship *Ocean Queen*, from Aspinwall, arrived at Quarantine, New York harbor, on the 6th., having yellow fever on board.

The New York *World* heads the eight line speech of Gen. Grant at St. Louis thus: "GREAT SPEECH OF GEN. GRANT."

Senator Doolittle's reception in Wisconsin, contrary to general expectation, is a continued ovation. He is on the canvass, and strong hopes are entertained of carrying Wisconsin, and even Iowa, for Seymour and Blair.

The carpet baggers and Loyal Leagues in the South are inciting the negroes, at various points, to commit outrages upon the whites. These cause retaliation, and forth with the "trooly loil" cry out for an armed force to suppress riot and aid in enforcing the law.

Railsbach, an itinerant, who was *not* elected to Congress from Mississippi because the negroes did not fancy the name or the man, has been complaining that Congress did not pass the bill to furnish Springfield rifles to the "loil" men of the South. He gave warning, in a lugubrious tone, that he would *not* go back to Mississippi, but would *return to Indiana, where he originally came from*. Sad news, but many more of the tribe will soon have to "go back" upon their friends at home.

General Preston, of Kentucky, denies that Wade Hampton or any other Southern man placed the words "unconstitutional, revolutionary, and void" in the Democratic platform. He says it was placed in it by a Free-soil northerner.

At Saratoga Springs, New York, a few days since, a bet of $3,000 was made that New York would give Seymour and Blair 70,000 majority. The same offers were made by others, and no takers.

COLLEGES AND SCHOOLS.

Louisburg Female College,

FRANKLIN CO., N. C.

THE FALL SESSION OF 1868 will begin on the 13th day of August.

The success of the institution, under its present administration, has far surpassed the expectations of its most sanguine friends.

CHARGES PER SESSION OF 20 WEEKS:

Board (exclusive of washing and lights) and Tuition in the regular English course and Ancient Languages, $100. Extra Studies moderate. $50 in advance,—remainder at the end of the session.

ADVANTAGES.

An able, energetic, and successful Faculty; an extensive and wisely arranged course of study; a judicious and thorough system of instruction; a select Chemical and Philosophical apparatus; a good Library; fine Musical Instruments; a beautiful, pleasant, and healthful location; a large, commodious building, with rooms well ventilated and well warmed in winter; excellent water, good fare; kind attention to the wants of the pupils; mild and efficient government, and ample Religious privileges.

For Circulars, containing full particulars, apply to T. M. JONES,
June 15-tf President.

Wake Forest College, N. C.

THE FALL TERM OF THIS INSTITUTION will open on the first day of August, 1868, with the prospect of increased patronage and success. The complete assurance given at the recent Commencement, of the adaptedness of the University system to the wants of the times, and of its feasibility, encourages its friends to believe that the College has entered upon a career of popularity and usefulness hitherto unknown in its history. The financial embarrassments to which all Southern Colleges have been subjected are not felt to the same extent at Wake Forest, as at some others, in consequence of the considerable amount of original endowment saved, and of the favorable reception with which the Agent of the College meets in securing additional funds. An expenditure of more than $2,000 has been recently made in improving the condition of the building and grounds.

Determined to bring its advantages within reach of the largest number possible, the Trustees, seconded by the community, have reduced the price of Board and Tuition to the lowest practicable rates.

The officers of instruction are gentlemen of tried ability in their several departments, and the success attending their efforts in the past is the best guarantee the public can have for the future.

The location of the College in point of healthfulness and accessibility, (being situated on the Raleigh & Gaston Railroad, a few miles from the Capital of the State,) is not surpassed by that of any other in the land; while the moral and social influences connected with and surrounding it, and the peculiar discipline enforced, present inducements to patronage of no ordinary kind.

A system of PUBLIC LECTURES on literary and scientific subjects has been introduced, with a view to increase the interest of the young men in the several departments of study, and to furnish additional incentives to investigation and research.

Extensive and well selected LIBRARIES belonging to the Societies, and complete APPARATUS, PHILOSOPHICAL and CHEMICAL, are not to be omitted in the enumeration of the advantages possessed.

Another encouraging feature is that there are, at present, thirteen young men engaged in studies preparatory to the work of the Ministry; and it may not be amiss to state that any Minister, who may apply for admission, will receive tuition in all the departments free of charge, and those of this class, who are without means, are encouraged to apply to the Board of Education for further assistance.

YOUNG MEN'S SEYMOUR AND BLAIR CLUB.

There will be a *purely business* meeting of the Young Men's Seymour Blair Club, at the Mayor's office, (which has been kindly loaned for the occasion,) this evening, at 9 o'clock.

Persons desiring to join the Club are invited to be present, and a full attendance of members is requested. Matters of importance, connected with the arrangements for the approaching Democratic State Convention, will be transacted.

BY ORDER OF THE PRESIDENT.

NEW ADVERTISEMENTS.—John Armstrong, Bookbinder and Blank Book Manufacturer, over the N. C. Bookstore: We take pleasure in recommending Mr. Armstrong as a faithful and excellent workman.

Medical College of Virginia, at Richmond: The next annual course of Lectures will commence on the 1st Monday in October. This Institution commends itself to the patronage of the people of North Carolina and Virginia. Its Faculty is able and distinguished, and the facilities which it affords for a thorough Medical education are unsurpassed. Dr. O. F. Manson, of this State, is one of the Faculty.

Piano Tuning and Repairing: Wm. H. Vaughan, Raleigh. Mr. Vaughan is perfectly *au fait* in his professon, and will give perfect satisfaction, whenever employed.

OUR THANKS are due to A. Munroe, Esq., of Kinston, for a club of subscribers to the *Sentinel*.

B. W. GREEN, Esq., of this vicinity, has sent us a fine lot of Cabbages from his farm, which are equal to any we have seen. He has our thanks.

A SPECIAL meeting of the Bucket Company will be held at the office of C. B. Root, Esq., on Wednesday evening, 12th inst., at 8½ o'clock. Full attendance is earnestly requested, as there will be business of great importance to be transacted.

W. C. STRONACH,
Foreman in Charge.
B. F. KING, Sec.

A MEETING of Fire Company No. 1. is requested at the Engine House, this evening, at 8 o'clock.

N. C. RAILROAD.—The Radical paper in this City has a flaming advertisement of this Road, but the advertisement is silent upon the increased rates of fare,—the most suicidal policy that any Road, under the circumstances, was ever guilty of. We learn that the rate of travel has been raised to six cents a mile. Verily, the Holden management seems bent on blasting the interests of this Road, and it is likely to succeed in doing so.

GRANT says "Let us have peace." What does he mean but that the "Empire is peace!"

JOHNSTON.—A large and enthusiastic gathering of the Conservatives of Johnston county assembled in Smithfield on Saturday last—Jethro Thain, Esq., presiding, and John Guy and Milton C. Richardson, Esqrs., acting as Secretaries. Appropriate resolutions, approving the platform, and fully endorsing the nominations of the National Democratic Convention, were unanimously adopted. Eloquent and stirring speeches were made by Messrs. Abell, Parker, Claud. Sanders, Hadley, from Wilson, M. C. Richardson and Col. John W. Sharp. One hundred delegates were appointed to represent the county in the State Convention, on the 13th. inst. The people of old Johnston are fully aroused, and will give a good account of themselves in November. Seymour and Blair Clubs are being formed throughout the county.

FUQUA'S SPRINGS.—We learn that one of the largest local gatherings ever assembled in the County was that at Fuqua's Springs, in this County, on Friday last, on occasion of the Democratic Barbecue. A number of ladies also graced the occasion with their presence, and a spirit of great enthusiasm was manifested. The dinner was fine and every way creditable to the patriotic citizens of the neighborhood. R. C. Badger, Esq., addressed the crowd in a speech of great ability and with the best effect. A Seymour and Blair Club was organized.

A REBUFF.—During the debate, in the Senate, on Saturday last, on the Holden carpet-bag special militia bill, while Mr. Wynne, the Republican Senator from Franklin, was ably opposing the iniquity, he was interrupted by Eppes, the coal-black "Senator" from Halifax, with the interrogatory: "May I ask the Senator a question?" Mr. Wynne replied: "No; I am addressing *scholars and gentlemen!*" Eppes turned almost *white* with astonishment, Hayes laughed, and the negro-worshippers, generally, were astounded. What! Eppes not a *scholar* or a gentlemen? Monstrous,—monstrous!

LITTLE RIVER.—The Democratic Conservative citizens of this district (this county) met in force at Rosenburg, on Thursday last. B. T. Strickland, Esq., presided.

A Seymour and Blair Club was organized and forty-six names were immediately enrolled. The following are the officers of the club: President, J. F. Hopkins; Vice-A. R. Perry, Rayford Chambliss and A. P Hopkins; Recording Secretary, S. Brantley; Corresponding Secretary, T. J. Wiggs.

The Club was ably and eloquently addressed by Dr. E. A. Crudup, W. S. Harris, Esq., and Dr. J. C. Fowler, all of Franklin county.

AUBURN.—There was a fine gathering of the patriotic Democrats and Conservatives of Auburn, on Friday last. The Rev. Stinson Ivey presided and Dr. W. J. Busbee was Secretary. Resolutions heartily endorsing the National nominations were adopted.—Glorious little Auburn is O. K.

THE GREAT CONVENTION.—Read the Programme for Thursday. It will be seen that "a good time" is provided for. Everything will be conducted on the grandest scale, and in the most quiet and orderly manner. We anticipate a large concourse of people, and a glorious rally of the friends of Seymour, Blair and Constitutional Union.

WILMINGTON.—Only a few of the appointments of city officers have been made by Holden's new Board in Wilmington.—The policemen have not been elected, but it is understood that at least one-half of them will be negroes. The appointments that *have* been made are such as might have been expected from the character of the men who constitute the new Board.

ON DIT.—The regular freight train, from Goldsboro', passed Selma, on Saturday morning, consisting of a *passenger coach and one box car*,—the latter one third wood.—Smith is "running the machine" prosperously. Hurrah for Radical rule.

"ESCOURAGING.—Our Conservative friends are *rallying to our support in a handsome manner!* We are *daily* receiving subscriptions to the *Press*, and in a few days hope to be able to report several hundred new subscribers. Still room for more. Send in the names and money. The terms are very cheap."—*Concord Press.*

We are glad to hear of the success of our excellent cotemporary. The best way to advance the cause, and spread correct information among the masses, is to encourage our local Democratic and Conservative papers.

PARSON PELL'S PROSCRIPTIVE POLICY.—We learn that the Ex-Preacher of the Gospel (X. P. G.) who presides over the *Sentinel*, on Saturday last, discharged from his employment, Norfleet Jeffries, a very worthy and respectable colored man, because he would not promise to vote the Seymour and Blair ticket. This, too, from a man who asks colored men to vote with him! Will they be green enough to do it? Never!—*Standard.*

The *Local*, who got up the above, has been misinformed or lies outright. It has not been a week since Norfleet spoke to the Associate Editor, and others, of the *Sentinel* office, of his anxiety and intention to raise a Seymour and Blair Club among the colored people. We distinctly stated to him, in the presence of others, as they all know, that his politics had nothing to do with his discharge.

"HO! FOR CAROLINA."—This is the title of a very pretty song, which was sung with *eclat*, by Dr. Harrell, in this city, some years ago. It has been arranged for the piano by Mrs. W. B. Harrell. It is published by those veteran dealers in Music, Messrs. O Ditson & Co., Boston, and is for sale at the bookstore of J. A. Jones, successor to Branson & Farrar. Price 30 cents.

WE ARE so much restricted in our space, that we crowd out much original matter.—As soon as the pressure is relieved, we hope to deal with the great National issues in such a manner as to make the *Sentinel* equal to any campaign paper in the country.

In their despair, Radicals threaten civil war, in order to make a fair and free election by the people of North Carolina impossible.

WAKE COUNTY DEMOCRATIC CONVENTION.

Agreeably to previous notice, a very large number of the Democratic and Conservative citizens of the county of Wake,—delegates being present from every district in the county,—assembled in the Court House, in Raleigh, on Saturday last.

Maj. R. Fleming moved that Ex Gov. Charles Manly be called to the Chair, the motion was carried by acclamation, and The venerable gentleman took the Chair, amid great applause, and called the Convention to order.

M. A. Bledsoe, Esq., then moved that Needham Price and I. H. Rogers, Esqrs., be chosen Vice Presidents; which was unanimously adopted.

R. H. Battle, jr., Esq., moved that J. J. Litchford and B. W. Justice be requested to act as Secretaries; which was carried.

On motion of Maj. R. C. Badger, a Committee of one from each Captain's District in the county was appointed to report, to the meeting, suitable resolutions for its action.

The following Committee was appointed:

Panther Branch—D. A. E. Smith.
St. Matthew's—R. Fleming.
White Oak—A. G. Jones.
Lick Creek—Thos. Bailey.
St. Mark's—J. T. Hunter.
Crab Tree—B. Y. Rogers.
Kitt's Creek—J. G. Bagwell.
Raleigh, No. 2—J. C. Gorman.
St. Mary's—W. R. Poole.
Little River—J. T. Wiggs.
Raleigh, No. 1—M. A. Bledsoe.
Fish Dam—J. J. Ferrell.
Cross Roads—K. Upchurch.
Wake Forest—Capt. P. H. Mangum.
Mark's Creek—Capt. A. T. Mial.
Swift Creek—Col. L. D. Stevenson.
Barton's Creek—Jno. E. Ferrell.
Middle Creek—Dr. S. A. Taylor.
Buffaloe—Capt. J. W. Smith.
House's Creek—W. S. Tucker.

In absence of the Committee, Col. E. G. Haywood was called out and addressed the meeting for two hours in a speech of great power, ability and eloquence.

M. A. Bledsoe, Esq., then, on behalf of the Committee, read the following resolutions and accompanied their presentation with an eloquent and masterly address:

Resolved, That we heartily approve of the Platform of Principles adopted by the Democratic National Convention held in the city of New York, on the 4th of July last, and that we will earnestly and energetically support Hon. Horatio Seymour and Gen. Frank P. Blair, the nominees of said Convention for the Presidency and Vice Presidency of the United States, at the ensuing election.

Resolved, That we recommend that a Congressional District Convention be held at Raleigh, on the 25th day of August, for the purpose of nominating an Elector for the District, and that the President appoint thirty delegates to represent Wake County in said Convention.

Resolved, That we approve the call for a State Convention to be held in this city on the 13th day of the present month, and that Wake county be represented in said Convention, by thirty delegates from each district in the county.

Resolved, That there is no just cause for apprehending any resistance to the enforcement of the Constitution and laws of either the United States or the State of North Carolina, and that we solemnly and earnestly protest against the organization of any armed police force—other than the militia as contemplated by the Constitution of the United States and of North Carolina,—upon the groundless pretext of suppressing insurrection, rebellion or sedition in this State, as alike unnecessary, unconstitutional and dangerous to the lives, liberties, property and peace of the people; believing, as we do, that it is intended to be used to deprive the people of their constitutional and legal rights—to which they will never quietly submit,—and that it will therefore inevitably result in violence, bloodshed and irreparable damage to the whole people of this State.

Resolved, That Jonathan Worth, Governor by the choice of the people, and declared to be Governor in accordance with the Constitution of the United States, and the Constitution and laws of North Carolina, has, by an impartial, enlightened and patriotic administration of the Government, under circumstances of great trial and perplexity, and by an unfaltering devotion to the principles of Constitutional liberty, won and enjoys the confidence, respect and admiration of the people of his native State.

Resolved, That W. W. Holden, "who writes himself Governor of North Carolina," having declared in his inaugural address that, "*Every office and employment in the State, from the most inferior to the most exalted, must be filled by the friends of Reconstruction and of the new Constitution*," thus proscribing, for opinion's sake alone, the only class of our citizens who are either worthy the confidence of the people or capable of an enlightened and patriotic administration of the government, sincerely deprecating the proscriptive spirit which drives us to the necessity; as a defensive measure, of doing so, and with no unkind feelings towards those who must suffer the consequences of the conduct of those whom they have unfortunately placed in power, we hereby pledge ourselves, in the future, to *aid, encourage, employ and patronize Democrats and Conservatives*, in preference to all others, and to protect and defend each other in the exercise and enjoyment of all our constitutional and legal rights.

The resolutions were unanimously adopted.

Loud and continued calls brought B. Y. Rogers, Esq., to the stand, who entertained the meeting with an earnest and effective speech; after which,

Capt. B. W. Justice, being called out, spoke effectively and eloquently, urging earnest and constant effort upon all to rescue the Constitution of the country, and civil liberty, from threatened overthrow at the hands of the Radical party.

C. M. Busbee, Esq., next, in response to repeated calls, delivered a spirited and capital speech, which was warmly applauded.

On motion of M. A. Bledsoe, Esq., it was resolved to convert the meeting into a Seymour and Blair Club, and a Committee of five was appointed to prepare a Constitution and recommend permanent officers.

The various lists of delegates to the State Democratic Convention were handed in, and then the Convention adjourned.

"Travel upon the routes from the South appears largely on the increase. Each train from that section comes heavily ladened with passengers on the wing northward, seeking a cooler latitude. The large number of carpet-bags carried by these travelers is a noticeable feature. It has been suggested that, as the elections in most of the Southern States are over, the disappointed aspirants are now returning home.—*Wash. Cor. Balt. Sun.*

There are "still left" any number of the carpet-baggers, of whom we should be glad to "*git shet.*"

FROM WASHINGTON.

WASHINGTON, Aug. 10, P. M.

Stevens is convalescent.

The President will not leave for his proposed trip until the Revenue Commissionship is settled.

Chief Justice Chase, in charging the United States' Grand Jury of West Virginia, said in effect: That, in order to suppress the rebellion, it was necessary to create a large public debt, and that the debt must be paid, for, under the fourteenth amendment to the Constitution of the United States, the nation was pledged to it. This amendment was recognized as valid, and, therefore, he charged the Jury to see that the revenue laws, which were made to pay the debt, were strictly enforced.

Rollins telegraphs that he will be here on Monday next—to resume his duties as Commissioner.

The following order has been issued:

HEADQUARTERS OF THE ARMY,
ADJUTANT GENERAL'S OFFICE,
WASHINGTON, Aug. 10th, 1868.

Brevet Major General R. C. Buchanan, Commanding Department of Louisiana:

The following instructions from the Secretary of War are furnished for your government, to the end that necessary aid may be rendered by the United States, as promptly as possible, in any case of insurrection or domestic violence in the States embraced in your military department.

"You will keep yourself informed of the condition of affairs in said States, and communicate promptly by telegraph, to the War Department, through the Headquarters of the Army, any facts which may make it the duty of the President, under the Constitution and laws, to employ the military force of the United States. You will also maintain such disposition of the troops under your command, that they may be ready to act without delay on the receipt of the President's orders; stationing them at, or from time to time moving them to, points where you may have reason to apprehend necessity for their use."

The remainder of the instructions consist of extracts from the Constitution and laws of the United States, indicating the conditions under which the military force of the United States may be lawfully employed to suppress insurrection against the government of any State.

The document is signed; "By command of Gen. Grant."

It is understood that Col. Deane was assured, this morning, both by the President and the Secretary of War, that these instructions, a copy of which was furnished him, were intended and expected to satisfactorily cover the ground lately presented by the Legislature and Executive of Louisiana.

An astute Washington observer, who has been endeavoring to a certain how the members of the Cabinet stand in reference to the Presidential nominees, has satisfied himself that Mr. Seward is yet a fast friend of the Secretary of State, and that the Secretary of State returns, with compound interest, the warm regards of Mr. Seward.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co-equal States; and that we regard the reconstruction acts (so-called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre-emption or homestead laws, or sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By-Laws for the organization of Seymour and Blair Clubs. Having none on hand, and no funds to print them, we have prepared the following Constitution and By-Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the —— Club of —— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be commited the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt, may be altered, amended or changed at any public meeting of the Club, by a vote of two-thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order (and the officers of the Club shall be *ex-officio* officers of the Board) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club, and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 men may be and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. *We must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!

In view of the scarcity of money, and the severity of the times, the Proprietor of the SENTINEL has determined to reduce the terms of the paper, to commence after the 31st. DECEMBER, next, and to make such improvements in its general character as will commend it to the patronage of an enlightened public.

In POLITICS it will be thoroughly Conservative, advocating, at all times:

A strict observance of the Constitution of the United States, and the harmonious Union of equal States;

Obedience to law and the enforcement of order;

The supremacy of the civil over the military, in time of peace;

The equality of the three co-ordinate branches of the government;

The sovereignty of the States over their own internal affairs, in strict conformity to the Constitution;

The maintenance of freedom and justice to all, without distinction of color, but the supremacy of the white race as the governing class;

Opposition to Radicalism in all its phases.

As a NEWS journal, it shall be equal to any.—The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers.

Finally, the SENTINEL will seek to be the special promoter of the educational, moral and economical interests of the people of North Carolina.

GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in Schedule B., except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whom it is made, may stamp it before it is used; and if used after the 30th of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument, to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: summons, warrants, publication, &c., in which case these, as the original process, severally require stamps.

Writs of scire facias are subject to stamp duty as original process.

The jurat of an affidavit, taken before a Justice of the Peace, Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of an amount of money to be paid on demand or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say, for every sum of five hundred dollars, or any fractional part thereof, of the amount secured by the mortgage, at time of its assignment, there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable, under the law, may be affixed and cancelled by one of the parties.

In conveyance of real estate, the law provides that the stamp affixed must answer to the value of the interest conveyed.

No stamp is required on warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required, and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
